My supporter(s) was		

Statement of the decision I have made about my current living arrangement

The following information should be included in the **Statement of Decision**

- month and year that the decision relates to,
- outline of conversations held and outcome(s)
- people chosen to be my supporter(s) in decision making,
- the choices made and reasons for the current decision,
- how I will let people know if I want to change where I live and change my support arrangements
- what support I need with choice making, decision making and the support I require to act on my decisions
- what information I need to consider alternatives, decide to move
- What information I need to consider staying in my current accommodation and improve my supports there

My Goals that I understand, that are tangible and meaningful to me
